Mandatory guidelines for public worship:

1. Face coverings or face shields must be worn. (Double-mask if you have not been vaccinated.) Masks will be available at the door. Thank you in advance for bringing your own.
2. You must use the hand sanitizer at the door.
3. Temperatures will be taken at the door – if you have a temp, you cannot come in.
4. Congregational attendance will be recorded by name.
5. Non-congregational members will be asked to write name and phone number on a card which will be sealed in a dated envelope—if no one here contracts Covid-19, we won't have to contact the visitors and those envelopes will be shredded.
6. Physical distancing will be accomplished by using every third pew. *A household may sit together*. Ushers will seat you in the appropriate pew.
7. There will be no congregational singing. A soloist will provide music throughout the service.
8. There are no hymnals in the pews.
9. Bulletins are to be dropped in the basket at the door at the end of worship.
10. The church will be thoroughly cleaned and the sanctuary secured between services.
